

NIDDRIE PUBLIC TOILET BLOCK

CITY OF MOONEY VALLEY | NOV 2015

COUNCIL: CITY OF MOONEY VALLEY

BRITEX PROJECT ROLE

Britex was engaged by the City of Mooney Vally in the upgrade of the Niddrie Village Public Toilet Block for the local community. Working closely with the Council we were able to use our expertise in public amenity fixtures and knowledge of Australian Standards to provide a full fit out that not only completely adhered to disability compliances but was also fully vandal resistant. The Stainless steel works for this project included:

- Disabled Stainless Steel Hand Basins with reinforced rim and anti vandal tapware
- Security Hand Wash Basins with anti vandal tapware
- Disabled Polished Stainless Steel Mirror
- Security Stainless Steel Shelves
- Anti Vandal Stainless Steel Toilet Pan and In Wall Cistern
- Anti Vandal Stainless Steel Disabled Toilet Pan complete with Vandal Resistant Toilet Seat, In wall Cistern and Disabled Flushing Buttons
- Grab Rails and Toilet Backrests to suit above
- Sanistep Urinal complete with our Smart Sensor Flush

(L-R) Stainless Steel Toilet fit out including Disabled Pan with Toilet Seat, Backrest, Disabled Toilet Paper Holder, In Wall Cistern with Disabled (raised) Buttons, Sanistep Urinal complete with our Smart Sensor Flush, Disabled compliant Polished Stainless Steel Mirror, Disabled Hand Basin complete with Anti Vandal Tapware and Stainless Steel Security Shelf.

ABOUT

Encouraged by the Local community and Traders of Niddrie Village, the Council of Mooney Valley under the advocacy of MP Ben Caroll allocated \$220,000 for the much needed upgrade of the Niddrie Village Public Toilet Block in the 2014/15 budget. The project was completed and opened for public use in mid November 2015.
